

Wheels of Change

Transport Week at Whiteman Park **Term 3, Week 9**

All aboard for an incredible journey of transport discovery!

Whiteman Park invites you to step back in time and discover how transport has revolutionised over the years.

Throughout the day, students will be engaged in a series of interactive, hands-on activities which are linked directly to the current curriculum, and explore:

-  the features of different types of transport;
-  how transport has changed over time;
-  the role transport plays in everyday life;
-  energy requirements for different modes of transport;
-  transport and sustainability;
-  the impact different types of transport have on the natural environment; and
-  road safety.

Participating organisations include

Bennet Brook Railway | Motor Museum of WA
Perth Electric Tramway Society | Tractor Museum
Revolutions (Whiteman Park's Transport Heritage Museum)

19–21 September
